

The **Florida Chapter of the Association of Family and Conciliation Courts** (FLAFCC) is an organization of judicial, legal, mental health, financial and related professionals utilizing education, research and advocacy to improve the lives of children and families through the collaborative resolution of family conflict.

## MISSION

AFCC is an interdisciplinary, international association of professionals dedicated to improving the lives of children and families through the resolution of family conflict. AFCC promotes a collaborative approach to serving the needs of children among those who work in and with family law systems, encouraging education, research and innovation and identifying best practices.

## VISION

A justice system in which all professionals work collaboratively through education, support, and access to services to achieve the best possible outcome for children and families.

## VALUES

- Collaboration and respect among professions and disciplines
- Learning through inquiry, discussion and debate
- Innovation in addressing the needs of families and children in conflict
- Diversity in family structures and cultures
- Empowering families to resolve conflict and make decisions about their future
